DECIDE ON PRIMARIES

Republican Committee Abolishes Convention for City Nominations.

TO BE HELD AUGUST 29

Committee Meets Thursday Night and Plans for Campaign.

Committee is Appointed to Arrange Details for Primaries--Will be Plethora of Candidates.

At an important meeting of the Republican Central committee, held at the office of L. B. McNeal, last night it was decided to depart from the time honored method of nominating candidates for city offices, and to hold primaries throughout the city on August 29.

The meeting was well attended and much enthusiasm was evident. It was the general opinion of the committee members and the candidates represented that the primary system will be more satisfactory to the voters than the convention.

It was decided that all candidates for nominations of the ticket must give their names to T. D. Emery, secretary of the Central committee, four days previous to the day of holding the primaries.

L. B. McNeal, chairman of the committee, appointed Roy Chapman, Ray Simpson and Harry Krause, as a committee to make arrangements for voting places, tickets and other primary necessities. The voting places will be open from 4 until 8 o'clock on August 29.

The cost of holding the primaries, which is but slightly larger than the cost of a convention, will be assessed against the prospective candidates.

Members of the Central committee say that there will be a host of candidates for the nominations this fall, and it is expected that those who secure the nominations under the primary system, will have to do some tall hustling between now and the date for holding the primaries.

Take the Postmaster's Word for it.

Mr. F. M. Hamilton, postmaster at Cherryvale, Ind., keeps also a stock of general merchandise and patent medicines. He says: "Chamberlain's Colic, Cholera and Diarrhoea Remedy is standard here in its line. It never fails to give satisfaction and we could hardly afford to be without it." For sale by all druggists.

Miss Grace Wingett pleasantly entertained the members and guests of the T. A. B. club at her home on Summit street, Thursday evening. The Wingett home was prettily decorated for the occasion in sweet peas and lilies. The principal social diversion was "500," in which there were four takers. An elegant two-course luncheon was a concluding feature.

The club's guests were: Mrs. G. Press, of Chicago, Miss Nellie Darr, of Huntington, Indiana, Miss Hazel Cooper and Miss Iva Wingett.

Mrs. S. H. Britton of South Prospect street entertained twelve of her intimate friends Thursday afternoon, in honor of Miss Helen Richards of New Philadelphia, Ohio. Lunch was served and the afternoon was spent very pleasantly in social sport and various outdoor amusements.

Mrs. Belle Harz, of Elm street, pleasantly celebrated the twenty-third anniversary of her birth, Thursday afternoon. Mrs. Harz served a lunch and delightfully entertained her guests, among whom were her mother Mrs. Nathan, of Mansfield, and several out of town friends.

WOMAN BECOMES RAVING MANIAC

Eliza B. Armstrong Broods Over Family Troubles.

Smashes Furniture and Creates Excitement in North End—Ordered Sent to Asylum.

Miss Eliza Belle Armstrong one of the brightest colored women of the city was adjudged insane this morning by G. H. Foster, probate judge,

and will be taken to the state hospital at Columbus this afternoon.

The Armstrong woman is 19 years of age. Brooding over some grievance concerning one of her sisters, caused her mind to become unbalanced early yesterday morning. She soon became a raving maniac and started to demolish everything at the home of her mother, Mrs. Sarah Armstrong on Park street. She smashed up chairs and tables and mirrors, and it is feared that she would escape from the house and create a similar disturbance throughout the neighborhood. Sheriff Brown was called to the Armstrong home and placed the young woman under arrest.

Miss Armstrong was a number of years an inmate of a Philadelphia home for the deaf and dumb. She received a thorough education there

and is said to be exceptionally bright. When her parents moved to this city she was transferred to the Columbus home from which she was dismissed last April.
